Dollar-Book Campaign

If you had to spend month-long "tubercle" for tuberculosis would you relish a good book to read?

Some reasons why a "Dollar-Book" campaign for funds for a library for the Tuberculosis Sanatorium patients is preferred to the giving of books:

1st. Books can be selected with due consideration of local needs, as books will be needed ranging from elementary readers to encyclopedia and reference sets.

2nd. Sets of books, such as "Wit and Humor of the World," "Mark Twain," and others dealing with the brighter side of life can be purchased.

3rd. Current publications and daily papers can be subscribed for.

4th. Duplication avoided except where necessary.

The Federated Clubs of the state are asked to make a campaign during the week of October 23-28 for \$5000. This amount has been subdivided in proportionate amounts to the clubs of each district, no club being asked to raise an excessive amount. The clubs can canvass in adjacent territory and counties where there are no clubs.

Will you give One Dollar to the library fund for the Tuberculosis Sanatorium patients? Give through your nearest federated club or send direct to Library Fund, Sanatorium Mississippi. Credit will be given the clubs for any amount sent direct.

YOU CAN GET BACK YOUR GRIP ON HEALTH

"You can just tell the man or woman who may think Tanlac does not do good and lasting work that the medicine set his right five years ago and that I have been in fine shape ever since," was the statement made, a few days ago, by John W. Groves, a well-known merchant of Lowell, N. C.

"Nervous indigestion had almost completely wrecked my health," said Mr. Groves. "For a long time I could not keep down anything I would eat. Often while waiting on a customer I would get so nervous I had to call some one else, and finally I got so weak I simply had to give up work altogether. When I did get a little light food to stay on my stomach it would cause gas, smothering spells and headache.

"I took seven bottles of Tanlac and gained fifteen pounds and have never had any troubles since. My nerves are as steady as a clock now and I eat anything I want and my appetite never fails me. In fact I never felt better in my life than I do now and it's all because of the good Tanlac did me five years ago."

A WAR RECORD

One of the main things in every war is to keep every man in the best of physical condition. This can only be done by prevention if possible and immediate cure if any disease is contracted.

A large per cent of the soldiers while overseas contracted that well known disease "itch". One of them has the following to say about a famous itch remedy: "I want you to know just what I think of 'Spiva's One Day Itch Remedy'." writes Mr. Shelby Woodward, of Louisville, Mississippi. "I had it once and had tried about ten different kinds of medicine, which did no good. One day I heard about Spiva's One Day Itch Remedy; I got me a box and used it according to directions and was well within a day or two. All the bumps were gone within a week.

"While I was in the army, several of my friends got this disease and I wrote for a box so they could try it; and it was such a success I re-ordered several times and it never failed in a single case."

This remedy is a "Sure shot and never fails". "We recommend Spiva's One Night Itch Remedy and should know what it will do for you as we make it", Anona Company, Jacksonville, Tenn.

Spiva's One Night Itch Remedy is sold at all good drug stores. 2t adv

Red Cross Roll Call Heard World Around

The Annual Roll Call of the American Red Cross for registration of the membership for 1923 will begin on Armistice Day, November 11, and close on Thanksgiving Day, November 30. The ground work for this stupendous task of re-enrolling the membership throughout the world has been laid in a plan for the first complete and comprehensive system of registration of the Red Cross membership in all its 5,300 active Chapters at home and abroad.

An important feature of the round-the-world Roll Call campaign will be a universal effort to re-enlist the service of war-time Red Cross workers in the peace program by their participation in the Roll Call. In this way the vast array of volunteers will once more affiliate with the work of the Red Cross in its manifold phases. Cooperation also has been assured by Government and private maritime interests in a deep-sea Roll Call that is designed to reach every member or potential member in every part of the world who may be en voyage or temporarily in any port.

Thousands of Chapters will adopt the home canvass plan of enrollment which originated in Pittsburgh, where last year it resulted in a membership increase of 50 per cent. All records in this year's campaign will be kept on standard size cards to be filed in each Chapter for future use.

Red Cross Water First Aid Makes Life-Saving Gain

More than 925 Chapters engaged in life saving or water first aid last year with the result that the American Red Cross Life-Saving Corps has set a new high mark for enrollment and the number of qualified life savers developed. The influence of "Learn to Swim Week" in many localities is reducing the water fatalities through instruction and the wider dissemination of resuscitation methods demonstrated by the Red Cross representatives. Excellent work has been done in teaching a large part of the American population how to take care of itself in the water. Growing appreciation for this Red Cross Life-Saving Service is shown by the compulsory instruction adopted in many cities for members of the police and fire departments in the prone pressure method of resuscitation.

Help to Help Others

You can't "give until it hurts"—for giving an American dollar to join the American Red Cross helps you to help others who are hurt and who need relief.

CATARRHAL DEAFNESS

is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. HALL'S CATARRH MEDICINE has been successful in the treatment of Catarrh for over forty years.
